

Manufacturer Equipment Warranty This warranty covers any failure of the equipment due to defective material or workmanship. This warranty is provided by the equipment manufacturer and is void if the equipment has been used for purposes other than its intended purpose, abused, or damaged due to improper handling or installation. The Equipment warranty from the manufacturer does not cover dog chew, product tampering, lost or stolen collars, broken probes, lightening & surge damage (Over 1 year) and AC/DC power adapters or batteries.

Shipping costs are non-refundable. Some products may require a re-stocking fee.

3 Year Warranty against defective parts, does not cover accidental damage, abuse, or chewing.
